

IUSTITIA COIN – IUS COIN

Sustainable, Smart & Secure Payment

Revolutionizing the Future of Currency

The Problem

Are you concerned about the massive energy consumption and sluggishness of cryptocurrencies? Are you worried about the outdated banks and environmentally damaging CO2 emissions caused by cash transactions? Are you tired of dealing with slow and politically controlled bureaucracies, along with burdensome regulations that can harm the economies of countries?

SOLUTION

- ✔ In 2018, a visionary group of 40 professionals from around the world came together to develop a game-changing solution. Introducing the IUSTITA Coin, born in 2021!

Iustitia is the Greek goddess of justice (lady of justice) that represent moral excellence as her vision was to create laws of justice made by humans and followed by humans. This is what inspired our Iustitia coin (IUS) which is the first coin that introduces the green mining.

A decentralized Adhocracy coin that is set to transform the way we think about money. Say goodbye to the energy-intensive practices of crypto mining and the harmful CO2 emissions of cash printing and management. With IUSTITA Coin, you can have peace of mind knowing that your transactions are not only fast and secure but also environmentally friendly. Join the movement towards a greener and more efficient financial future. Embrace IUSTITA Coin today!

Result

- ✔ A currency that combines speed, security, and environmental sustainability. Green mining, where users can get the coin through sustainable initiatives

About Us

OUR OBJECTIVES

- Planting 1 million trees annually.
 - Collecting 50,000 tons of waste per year.
 - Attracting 5 million IUS Coin holders within the next two years.
 - Introducing the green mining
- Since our inception, we have been working tirelessly to turn our vision into reality. Here's how the green mining works:
1. Capture a video showcasing your involvement in sustainable activities such as tree planting, waste collection, sustainable project execution, or animal conservation efforts.
 2. Ensure that our physical logo is visible in the video, whether it's printed, sketched, or drawn. Please note that incorporating the IUS logo using photo editing tools or video editing software is not acceptable.
 3. Share your video on any social media platform of your choice and don't forget to include your IUS wallet address.
 4. Mention and tag our account, then share the link to the posted video on our Telegram channel.
